

SUPRA SWIFT XLR 3M & 3F

Sturdy XLR-plugs male & female Rev.date: 2022-12-01 Customs tariff no: 8536901000 Country of origin: Taiwan

SUPRA Swift XLR - Sturdy & fully shielded

Supra Patented XLR connector consists of 24K gold plated pins for maximum conductivity and fully shielded housing for max RFI immunity. Further it is easy to assemble, there are no screws that may get lost and there are no shells or housing parts that must be pre-mounted prior to fixing the cable. This is a very sturdy contact, aimed for the professional audio industry such as in-studio and on-stage usage, but will of course perform exceptionally good in high-end home hifi equipment as well. It is the standard connector for our pre-mounted top-of-the-line interconnects. Color markings for channel separation.

CONSTRUCTION

CONSTRUCTIO	VIN .				
Type:	XLR	male and female			Otting
Pin material:	24K	gold plated copper			SAMUE
Insulation:	Nory	rl			
Housing:	Shiel	d, front mounted			6
Pin connection:	Solde	ering		70 mm	
Pin type:	Expa	inding		/ 0 11111	124
Chassis connection:	Solde	ering, pin			
Cable fixation:	Screv	W			
Cable connection:	Straig	ght			
Contact fixation:	Snap	lock			
Colour:		racite grey & Silver		<u> </u>	Manual and a second sec
Max wire area pin:	1.5m	m ² / AWG 15			18 mm
