

SUPRA XL ANNORUM BI-AMP

High end loudspeaker cable with Banana/Spade - bi amp

Gauge: 4x1.6mm² / AWG 15

Rev.date: 2022-08-30

Customs tariff no: 8544429010

Country of origin: Sweden

- Rubber based jacket for minimal microphony pick-up
- Star Quad configuration - very low inductance
- Interchangeable connectors with M6 thread, banana/spade
- 24K gold plated Copper connectors

XL ANNORUM 4x1.6 - BI AMP with banana/spade

The design is a 4 x 1.6 mm² square shaped lead configuration, where each lead comprises a plastic core around which 12 strands 5N Oxygen-free Copper are spun in a tight pitch. This minimizes skin-effect and inductance efficiently and by choosing the sonically benign PP as di-electric (insulation) the sonical stability by preventing corrosion and material fatigue, will remain at highest possible level year after year. The specification and performance fits right in between our Supra Quadrax and Sword edition.

- Star Quad configuration for inductance cancellation and noise immunity
- CombiCon contacts features maximum customer convenience. Forks included.
- 5N Oxygen free Copper strands spun on core to minimize skin-effect
- PP dielectric for maximum signal integrity and chemical stability

CombiCon is pressed under high pressure onto the conductor. Done correctly, it brings the material together into an airtight, homogeneous and electrically invisible joint, almost similar to fusion welding.

Star Quad (4>4) bi-amp version

CONSTRUCTION

Cable:	XL Annorum 4x1.6
Cross section Area:	4x1.6mm ² / AWG 15
Ledare:	Transparent. + Röd, - vit
Jacket:	Rubber based PVC GA54, round
Diameter:	10 mm
Colour:	Iceblue (other colours upon order)
Marking:	SUPRA XL ANNORUM 4x1.6 > Made in Sweden > Meter mark
Configuration:	Stereo pair, 4 > 4 connectors, Right = red, left = black
Connector:	Combicon, 16 x Banana pins & 16 x spades included
- Material:	24K gold plated Copper
- Wire connection:	Crimp, 16 x Combicon body CB02XL M6
- Bending protection:	Sleeve 8 x S1-2 red, 8 x S1-2 black
Cable splitt:	20cm, Sleeve 2 x S9 red, 2 x S9 black
Signal direction:	Follow the arrows > amplifier > Speaker
Packing:	Carton 26x24,5x4,8 cm

Standard lengths as below, special lengths upon order.
